July Meeting

Christy Robinson will be our guest speaker. She is working for a private ranch in Newberry Springs. She has encouraged her employer to install a tortoise preserve on 40 acres. The owners will be leaving the property in a trust so the tortoises will be cared for indefinitely. The Club members will have to view the area and vote on what action we are willing to take. We will make a decision at the meeting when we can view the property, all member are welcome to come and be a part of the decision making.

Christy Robinson previously worked for the Mojave Desert Resource Conservation District.
